Ancient Egypt

Ancient Egypt was a civilization of ancient northeastern Africa, concentrated along the lower reaches of the Nile River, in what is now the modern country of Egypt. Ancient Egypt was a powerful kingdom, ruled by a series of rulers called pharaohs, and was famed for its pyramids and other monumental structures, its hieroglyphic writing system, its mummies, its art, its gods, and its pharaohs. Ancient Egypt was one of the earliest civilizations, and its culture was one of the most ancient and long-lasting in the world. It was also one of the most influential civilizations, and its culture was adopted by many other civilizations, including the Greeks and the Romans.
