Quantum Science Renaissance

[Quantum Yin Yang Symbol](#) was designed by John Lawrence King from a photograph

The [Quantum Yin Yang Symbol](#) is representative of the Quantum Equilibrium of the polarities!

This belief system is also suitable for the devil babies of Europe and other countries

[Advanced Gaia and the Atmospheric Barometer](#) - Gluon Isospin + Gluon kinetics affect the rate of quantum entanglement that indirectly affects the velocity of photon-pacts that interchange, red, blue and green - during spiralling cycle of quantum entanglement and tunnelling in the atmosphere combined is an affecter on the Barometer. Though fermented fruit and vegetable equivalents in the form of powdered gels + water (in manageable packets) to feed the poor (if the crops fail) if 100.0000 packets of fermented fruit and vegetable powdered gels are produced each day, that would feed a 100.0000 people each day and if the crops fail there would be no famine ever with implementation of industrial microbiological fermentation plants for production; this harmless sevice should be completely free to manufacture in any contrary and the initial investment could be derived from flouting stocks on the stock exchange; just reference to this website for the inventive ideas please.

May I wish all love sympathetic compassion and diligent understanding to all under these difficult times (2026-2070) in evolution, as evolution should be with universal love.

newspapers, is not we real 666 devils. A 40% (of more) governmental-TAX-levy on all devil-games would stop or reduce the devil games so that legality would occur, with the help of UK profound barristers! This is an devil technology website, the light of truth based on Physics, Molecular science and evolution.

Also

Yin Yang Quantum Buddhism is NOT for homosexuals or security  
and NO Yang Yanging, the truth is the victims always struggle to serve Rape don't agree to be raped.

Most hypothesis on this website is based on the quantum field theory and the patters in nature:-

- Spiralling Galaxies structure that are mirrored in the Fossil Recorded;
- Epigenetics is a dynamic Spiralling Structure;
- DNA is a Helical Structures are Spirals;
- Wathe spirals and swirl in the eddies of the river;
- If you blow on the surface of your tea/coffee the patters
- are in physics, though the mandelbtot (or butterfly effect could be in doubt), though science and evolution has many examples...

Two quantum field theory links to compare:

Security or offensive weapons please be moderate,  
harmless and respectful of UK law on these UK websites and be harmless,  
how can the extremity be legally spotted in accordance to UK law, Profound Barristers from leigh in the UK?

Those that suffer ego need to humbly avoid all extremity and stay neutrality, during the quantum science renaissance

The more extreme greed and selfishness the closer are Nostradamus prophecies;  
Do NOT YANG\_YANG anyone monarchs it's against the laws of

Yin and Yang, most information has a basis/template of quantum-physics; that is quantum equilibrium of the quantum polarities that is the template for good relationships, opposed to greed and selfishness.  
study science subjects, crystal healing and other complementary holistic therapy systems as a personal growth system, see teaching schedules.

Those that are Buddhist (buddha and monks) please remember that quantum yin yang Buddhism is also devil technology, so please reference to Quantum Yin Yang Buddhism rather than unethical plagiarism, also don't try dumping the nazi symbol on the devils please; the devils do not deserve unethical treatment from any organisations, including Christianity...

Quantum-flip-flops :-

Quantum-flip-flops are when quantum entanglement polarity changes occur, this is achieved by utilising electrons when exchanging "atom-shell" when there is an energy change that has affect upon the quantum entanglement for room-temperature quantum computer CPU and Quantum-data-base-Systems - john Lawrence king 08.04.2026 ([also see invention number 13](#)).

## About astrological-quantum-biology

### Free Book - Nutrition, Functional Foods and Epigenetics

Industrial microbiology Fermentation techniques could be used to ferment fruit and vegetable powdered-gels that will feed the poor during droughts/famines that could occur after 2026; An 100 industrial fermentation plants are needed to prevent famine(s) - prophesized by John Lawrence king (February 2026); Each of the fermentation plants potentially could produce 2 hundred weight of fruit/vegetable powdered-gels packets and thus famine(s) could be prevented; When/if the fermentation plants are built , the impacts of droughts would end; the fermentation plants would produce adequate food to prevent future famine(s), that are the results of malnutrition, inducing famine that could be of the past, as malnutrition would be permanently resolved with the implementation fermentation plants where photosynthesis is not feasible.

About titration and evolution also why old ideas are becoming obsolete

Titration is a biological way of balancing the positrons and electrons to create neutral in water or  
Titration is a biological way of balancing the alkaline and acidic bases to create neutral in water.  
The classical PH of 7-14 is in chemistry is Wrong!

The modern PH scale of PH -14 ----- 0 ----- PH +14

0 = Neutral is biologically more precise!

Neutral = 0 will be a modern way of teaching evolution integrated in all educational syllabuses  
In enzyme kinetics and enzymatic rotation there is polarity of electron positron and quantum tunneling and entanglement within the biological valence(s).

Historically evolution was the forbidden fruits of knowledge, though evolution should become standard teaching practice, so ignorance does not inhibit belief and/or education in the future!

+ 10 ----- neutrality ----- - 10

Evolved individuals avoid all behaviour extremities, they stay at neutrality as neutrality will maintain celebre-fluid-homeostasis

Goodness is being of service to help others in a lawful harmless way as the flowers grow both polarities of the path of evolution.

Those of neutrality know it is not necessary to head shave; involved individuals are none-competitive pioneers and conform to no trends set by those that want power and control over others; selfless love is neutrality whist on the Tao of evolution.

## Applied-Neuro-PhysicsScience

Applied-Neuro-PhysicsScience is the usage of Quarks, Bosons, Leptons and Gluons in an applied science/holistic/ethical way.

Those that are wealthy and at zero 0 = neutrality referencing to universal love and ethical materialism, being the position of neutrality on the evolutionary path of personal and intellectual growth together with reasonable ethical materialism may still be neutrality, depending upon the entheosis given to wealth and power; if wealth and power is all consuming, where/how is ethical harmless happiness?.

To understand the abstract concepts on this website a basic knowledge of the Quantum-Field-Theory is necessary  
This website does not take any type of donations or charity money (*see bio functional foods - a method of feeding the poor*)  
This website is for the people, Not Monarchism even though my ancestor's were monarchs,

**I'm supporting a peaceful referendum for NO monarch on the throne,  
to create sustainable peace in the UK.**

*In the UK, equilibrium between left and right would perhaps unite the Welsh, Scottish, Irish, and English people in Peace via a voting/Referendum system; this patten of equilibrium sustainability would create/make and keep long-term-sustainable-peace elsewhere, peace could be created if antagonistic-opposites in Christianity Where/are reduced (perhaps via co-evolving mutualism); and as there has been no sustainable peace in the UK for thousands of years a referendum for no monarch on the throne in the UK so to stop the monarch(s) competitive behaviour and bring long term peace with the UK populous.*

### Governmental Tourism

Governmental Tourism would be ideal in the UK with each monarch (dating from approximately 200A.D) would enhance tourism with an individualist Museum to represent all Monarchs dating from 200 A.D. to 2026. Information about the museums would be within a timeline book specifically for the tourists that fly to the airports and perhaps hire a luxurious motorhome so to travel the tourist timeline(s) of the united kingdom, together with other turist attractions for Governmental Tourism

Yin Yang Quantum Buddhism will help to prevent the repetition of Nostradamus prophecies and help prevent the repetition of history  
***DNA profiling and face recognition will keep the criminals out of governments, providing the data bases are not corrupted (also see governmental industrialism)***

Those that are vegetarian, vegan, and/or raw-food-vegan  
quite often have better health than those that are not "Plant based Nutrition - S.Welsh book - 2003"

Balanced moderate thought is reasonableness;  
reasonableness leads to humbleness;  
humbleness leads to learning opportunities of none-competitiveness;  
none-competitiveness leads to love and leaning enhancers;  
so the evolution may be positive with harmless universal love.  
I'm not a master, my humble self is reasonable.

Quantum Polarity + 10      0      Quantum Polarity - 10

The above graphics/Tao symbols are quite important representing universal love and the patters of science evolution (see [structure of quarks & gluons - Search Images](#) - and the quantum field theory); the graphics show the patters of science evolution are quantum equilibrium of the quantum polarities that is + and - 10 and equilibrium (see hypotheses for parallel universes and universal inflation in within science hypotheses to explain the origins of the universe).

**Peace, good karma and Light!**

Blessed are those harmless selfless ones; blessed are those of neutrality between greed and selfishness, for they are the harmless selfless ones.

Light is dependent on the harmless selfless ones for they are the angelic influence that sustain the angelic light; often we real devils are of the angelic light though the players try to imply other; the greedy and selfish play from motive that is not harmless selflessness.

Those that teach evolution in a selfless harmless way are blessed with peace as they have created good karma.

Please note that the look-a-like pictures are NOT me, they are what was on my mobile phone at the time of taking the photograph, I'm not responsible for the behaviours of the lookalikes, if proven to be good and harmless! that would be fine though I do not need Imposter terra.

Evolution is perpetuated via the most appropriate gene mutation, given internal and external environmental factors based on chemical and quantum affinity, this is science of molecular evolution during meiosis and mitosis (this normal cellular division); However, Darwin (1820) of the battleship-Beadle thought in error that evolution is "survival of the fittest" if all people think Darwin is right - the competitive minds of extremities will cause future chaos, mayhem, and further conflict.
